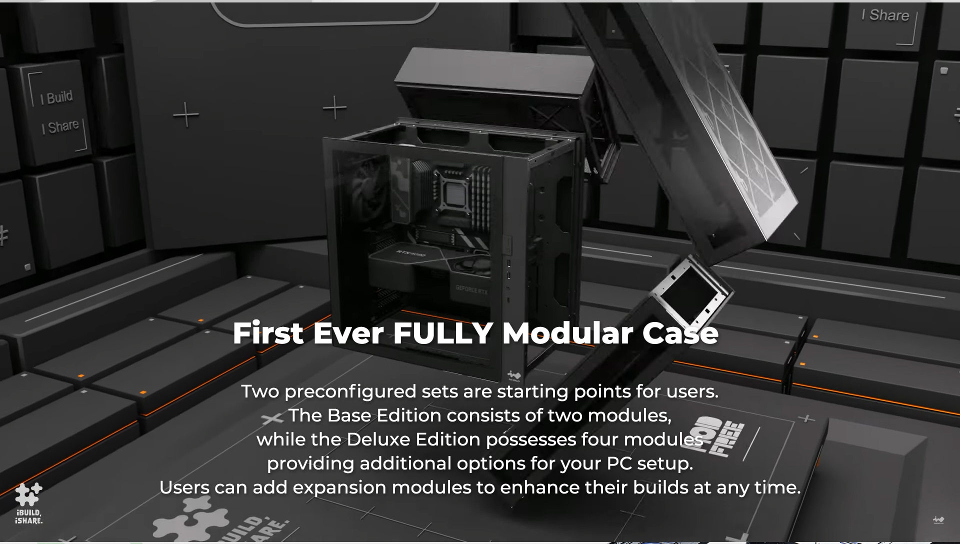
Freedom to Mod

PATENT PENDING

Product Story

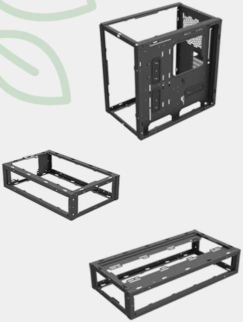
ModFree utilizes a fully systematic architectural structure that consists of interchangeable toolless modules.
PC enthusiasts can freely transform their new PC internally and externally to accommodate their needs and preferences.

MOD FREE



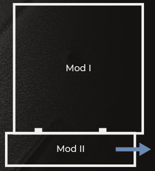
First Ever FULLY Modular Case

Two preconfigured sets are starting points for users.
The Base Edition consists of two modules,
while the Deluxe Edition possesses four modules
providing additional options for your PC setup.
Users can add expansion modules to enhance their builds at any time.



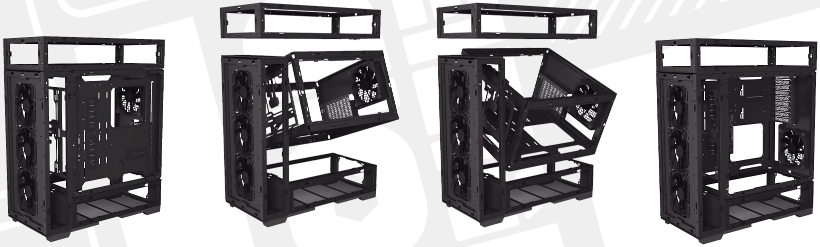
Infinite Upgrades

ModFree has three different modules to customize a system to meet your requirements.
Investing in this ecosystem will prove cost-effective
since upgrades are just a module away, which also
reduces environmental impact with less hardware waste.



Easy Interlocking Clip Design

The toolless interlocking clip design allows users to switch modules in an instant. Building hardware in each module is hassle-free, and assembling the modules together requires just one step.



Inverted Motherboard Design

Unlike conventional cases, inverted layouts benefit users wanting to showcase their hardware from the left side of the desk, where they may have more space.

Interactive Assembly Guide

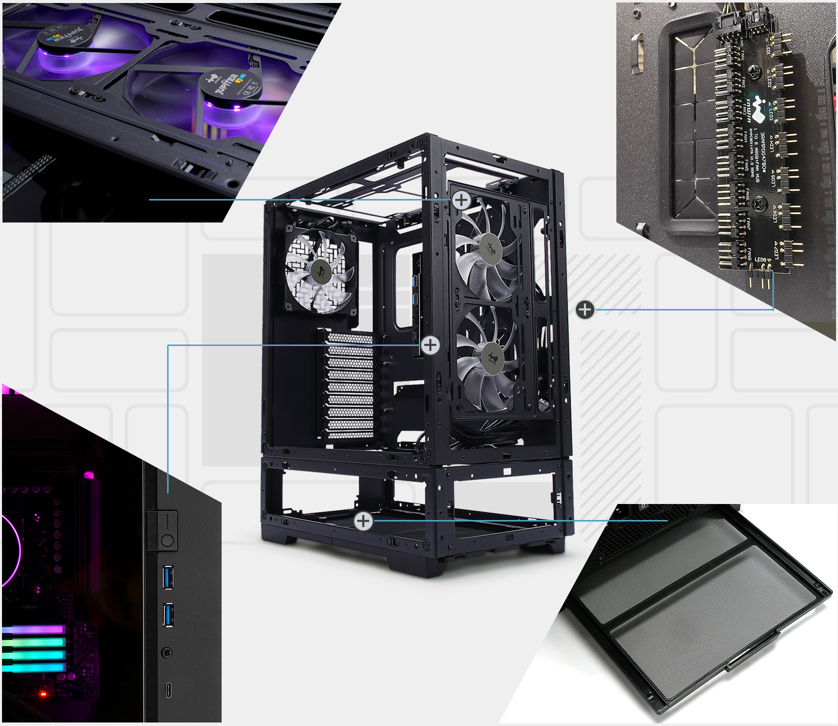
ModFree offers a 3D interactive assembly guide
to facilitate the building process and demonstrates the capabilities of each module.
Users can explore more by experimenting with a virtual ModFree within the APP.

Jupiter AJ140: ARGB Fans

The Jupiter fans provide high airflow to perform excellent heat dissipation, and protect your PC components from overheating.

Complementary Fan Hub

InWin fan hub controls up to 8 ARGB fans (3-pin) and PWM headers. SATA connector provides stable output.



Condensed I/O

Equipped with a 2-in-1 audio/microphone jack utilizing the international CTIA standard, which is compatible with most gaming peripherals.

Removable Filter

Quick removable filter and feet design allow users to not only clean quickly, but install on different modules easily, too.

Specifications

Model	**ModFree – Base Edition**	**ModFree – Deluxe Edition**
Model Number	IW-CS-MFBASE-BLK	IW-CS-MFDELU-BLK
Color	Black	
Case Type	Full Tower	
Materials	SECC, Tempered Glass, ABS	
M/B Compatibility	12" x 13" E-ATX, ATX, Micro-ATX, Mini-ITX	
Expansion Slots	9 x PCI-E	
Maximum Compatibility	GPU Card Length: 369 mm or 345 mm with Fan pre-installed	GPU Card Length: 369 mm or 440mm with Mod-III and Fans pre-installed
	CPU Heatsink Height : 200 mm	
I/O Ports	1 x USB 3.2 Gen 2 x 2 Type-C 2 x USB 3.2 Gen 1 HD Audio Combo (CTIA – SPK/MIC)	
Internal Drive Bays	2 x 2.5" 1 x 3.5" / 2.5"	
Thermal Solution Compatibility	**Air Cooling Fans:**	
	Front : 2 x 120 / 140 mm Top : 2 x 120 / 140 mm Rear : 1 x 120 / 140 mm	Front : 3 x 120 / 140 mm Top : 3 x 120 / 140 mm Rear : 1 x 120 / 140 mm
	Water Cooling Radiator:	
	Front : 1 x 240 / 280 mm Top : 1 x 240 mm	Front : 1 x 360 / 420 mm Top : 1 x 360 / 420 mm
Power Supply Compatibility	PSII: ATX12V - Length up to 390 mm or 240 mm with Hard Drive Tray Installed	
Product Dimensions (L x W x H)	411.5 x 261.8 x 531 mm 16.2 x 10.3 x 20.9"	511.6 x 261.8 x 631 mm 20.1 x 10.3 x 24.8"
Package Dimensions (L x W x H)	532 x 342 x 630 mm 20.9 x 13.5 x 24.8"	642 x 352 x 740 mm 25.3 x 13.9 x 29.1"
Net Weight	9.2 kg / 20.28 lbs	14 kg / 30.86 lbs
Gross Weight	11.4 kg / 25.13 lbs	17 kg / 37.48 lbs
