

ONE AND DONE.

Docking Station SU20

7-In-1 Ultimate Workstation

Create the ultimate workstation with our SU20 7-in-1 multiport dock. This complete solution gives Type-C laptops, notebooks, and tablets access to ports that have been eliminated on newer models. Connect to 1 HDMI port, 3 USB Type-A ports, 1 USB-C PD port, 1 SD card reader, and 1 microSD card reader all from a single Type-C input.

Amped Up Power

The SU20 was designed to deliver all-in-one power and speed. Its Type-C input supports passthrough charging to power your device without needing to sacrifice power for port expansion. Up to 5Gbps of bandwidth via its 3 USB 3.2 Gen 1 Type-A ports, plus 1 USB-C PD port (max. 60W), yields quick data transfers between your device and peripherals.

Docking Station SU20

Features

- 7-in-1 docking station equipped with HDMI, USB Type-A, USB-C PD, SD, and microSD ports
- Connect to a variety of different peripherals at the same time via 1 Type-C input
- Type-C input supports passthrough charging for both power and port expansion
- USB-C PD port is quick-charge ready (max. 60W)
- USB Type-A ports provide up to 5Gbps of bandwidth for quick data transfers between device and peripherals
- Supports HDMI resolution up to 4K (3840x2160) @ 30Hz
- SD and microSD card readers are both compatible with SDHC and SDXC
- Lightweight aluminum housing provides maximum heat dissipation

Specifications

- Dimensions: 130.0mm x 35.0mm x 13.0mm
- Weight: 71.6g
- Material: Aluminum
- Color: Grey
- Input: USB Type-C (USB 3.2 Gen 1)
- Output: USB Type-A (x3) (USB 3.2 Gen 1), USB-C PD (x1), HDMI (x1), SD Card (x1), microSD Card (x1)
- Operating Temperature: 0°C - 45°C
- Storage Temperature: -10°C - 70°C
- Operating Humidity: <85% (Non-Condensing)
- Storage Humidity: <85% (Non-Condensing)
- Certification: CE, FCC, BSMI
- Warranty: 1.5 year limited warranty, 2 years limited warranty (EU)
