

- Sleek brushed aluminum front panel design
- 2x full-height PCI-E slots in compact case
- Supports CPU coolers up to 110mm in height

The Chieftec BT-06B-250VS serves as an upgrade to the BT-04B-250VS, dropping the optical drive in favor of more space for CPU cooler as well as the ability to install 3.5" HDD together with a 2.5" SSD in the newly designed drive cage.

The new clean front panel in sleek brushed aluminum looks great in all environments. With two full-height PCI-E slots in the most compact design, this case proves its versatility. Gamers, HTPC fans and office PC users will find BT-06B-250VS good value for money.
