

ARGO

The Evolution of a Gaming Chair Revolution

The combination of gaming and ergonomics

Argo is built with a premium aluminum frame and highly breathable mesh cushion that brings lasting maximum support for the most comfortable gaming experience.

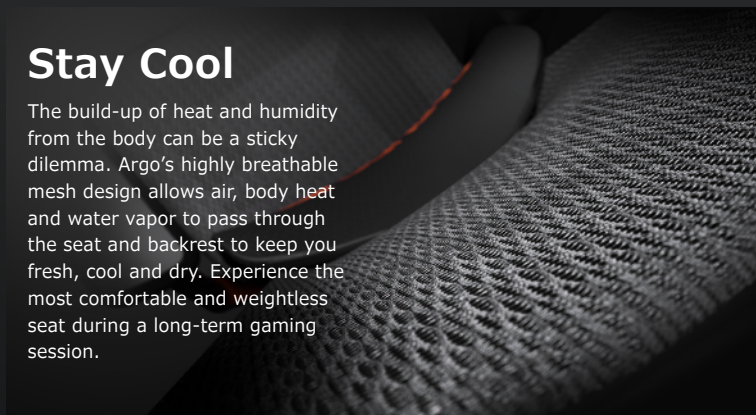

Dynamic lumbar Support Design

Argo's dynamic design can fully handle lumbar back support to ease pain and fatigue during long term gaming sessions.

Stay Cool

The build-up of heat and humidity from the body can be a sticky dilemma. Argo's highly breathable mesh design allows air, body heat and water vapor to pass through the seat and backrest to keep you fresh, cool and dry. Experience the most comfortable and weightless seat during a long-term gaming session.

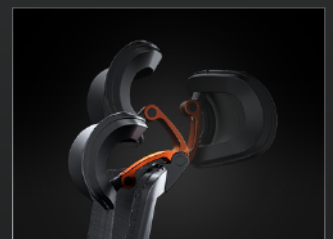

Fully Adjustable

Easily adjust the height, tilt, and seat sliding depth using the trigger shift wire control system. Argo's headrest and armrests are also adjustable so you can easily find your most comfortable and preferred posture.
