### FEATURES

#### • BALANCED WORK AND PLAY

GD120 is perfect for gamers, youtubers, streamers, and vloggers. With the right amount of space, the users can create their own inspiring work eco-system.

#### • CREATE AND CUSTOMIZE YOUR AMBIENCE

The smart ARGB lighting stripe evaluates an ideal lighting atmosphere without overwhelming brightness. MasterPlus+ lets you have full control of your mood and activity with millions of lighting customizations.

#### • NO MORE TANGLED WIRES!

The rear steel tray on GD120 hides your cables and adapters out of sight and managed. Keep your workspace clean and tidy.

#### • COMFORTABLE ERGONOMIC WORKSTATION

GD120's work surface height is perfectly set to cater to an ergonomic neck-shoulders-elbows position, improving comfort and fatigue over long hours of sitting.
