

## IT'S HYBRID

### The Epitome of the Modern-day Gamer and Creative

In a world of comfort and expression, Hybrid 1 offers the best of both worlds without compromise. Hybrid 1 combines the benefits of comfort-driven office chairs with support-based racing seats that allow ergonomic customization to a user's preference for maximum airflow during longer sessions.

Backrest Height	78 cm (30.7")
Backrest Width	54 cm (21.3")
Armrest to Armrest	75 cm (29.5")
Seat Width (including sides)	61 cm (24.0")
Sitting Area	61 cm (24.0")
Seat Depth	54 cm (21.3")
Diameter of Base	68 cm (26.8")
Steel Plate Thickness	1.5 mm
Adjustability	
Armrest Adjustability	29-36 cm (11.4"-14.2")
Floor to Seat Top	48-58 cm (18.9"-22.8")
Height Adjustability	10 cm (3.9")
Recline	90-180 degree
Armrest	3D
Headrest	Integrated headrest (up/down)
Lumbar Support	Built-in 2D lumbar support (up/down, forward/backward)
Materials	
Outer material	Backrest: MuscleFlex® Mesh Seatbase: Perforated PU
Inner material	High density cold-molded foam
Frame	Steel
Base (leg)	Aluminum
Caster	75 mm (3.0")
Gas Lift	Class 4
Others	
EAN Code	4719512127056
UPC Code	884102099373
Net Weight	26.3 kg
Gross Weight	31.2 kg
Max. Weight Load	150 kg (330lbs)
Package (L x W x H)	1010 x 690 x 375 mm
Warranty	2 years
MOQ	12pcs per color (a pallet QTY)

## FEATURES

### • ERGONOMIC-PERFORMANCE

The Hybrid 1 is defined by a light yet strong MuscleFlex® mesh stretched across the high-density cold-molded foam with metal frame that make for a distinctive statement both for gaming setups as well as professional studios. Special effort was made to integrate an easy-to-adjust lumbar support and headrest into the backrest, producing an innovative suspended seating experience with less heat storage and pressure yet bridging the gap between performance looks and seated well-being for anyone who struggles on a traditional seat.

### • STYLISH COMFORT

The Hybrid 1 provides healthier gaming solutions for gamers and professionals. The design combination was dedicated to optimizing daily seating comfort in both scenarios of gaming and working. Thoughtfully designed, the adjustable lumbar support integrates with the high tension mesh seat back to maximize comfort and help increase performance through reducing heat and health problems from lengthy seating.

### • HYBRID

Hybrid 1 presents Cooler Masters' vision of creating computing furniture for healthier, interactive, and expressive needs of gamers and creatives. With the shared desires of expression and comfortability from both audiences, Hybrid 1 blurs the line between work and play and bring forth a new generation of PC furniture to match Cooler Master' reputation for excellence in quality and innovative design.

### • FOR YOUR HEALTH

Hybrid 1 backrest can be reclined completely flat (180 degree) for laying down to recharge, which you don't find in regular office chairs.

MuscleFlex® mesh with adjustable 4-directional lumbar support (up/down/forward/backward) strike the perfect balance between strength and elasticity whilst provides natural tenderness for all body shapes and weights that you don't find in regular gaming chairs.
