

2 Port HDMI 18G Bi-Directional Switch

No.: 38336

Switch between two 4K Ultra HD HDMI source devices connected to one 4K Ultra HD display, or two 4K Ultra HD displays connected to a single 4K Ultra HD source device

Description

- Switches between two source devices to one output, or one source device to two outputs
- Supports resolutions up to 4K 3840x2160 @60Hz
- Supports HDMI audio pass-through
- No external power supply required, for easy and discreet installation
- 2 year warranty

The Lindy HDMI 18G Bi-directional Switch allows the user to connect two 4K Ultra High Definition source devices such as Blu-Ray players or games consoles to a single 4K Ultra HD display or projector and easily switch between them at the push of a button. Alternatively, connect one 4K Ultra HD source can be connected to two 4K Ultra HD displays or projectors and switch between displays at the touch of a button.

With support for resolutions up to 4K 3840x2160 @60Hz, this switch ensures a superior visual experience within residential, education or conferencing installations.

The switch's minimalistic design, with no external power requirement, allows for a clean, discreet installation.
