

USB 3.0

Product Highlights:

- Leverages USB 3.0 technology with transfer speeds up to 100MB/s¹
- Compact, stylish and portable design
- Securely protect files with Lexar DataShield, 256-bit AES encryption² for added protection
- Comes with a key ring for added convenience
- Compatible with PC and Mac® systems
- Five-year limited warranty

Capacities:

32GB
64GB
128GB
256GB

Quickly transfer files with USB 3.0 Speed

The Lexar® JumpDrive® V400 USB 3.0 Flash Drive provides high-speed performance and a compact design, allowing you to easily transfer, store, and share files on the go. The drive comes with a keychain hole design, making it easy to tether to a key ring, attach to a backpack, or hook to a purse or briefcase.

Move Your Files in a Flash. Transferring your files should be the least of your worries during your busy day. The JumpDrive® V400 USB Flash Drive leverages USB 3.0 technology, allowing you quickly and easily store files with high-performance transfer speeds of up to 100MB/s¹, saving you time waiting for files to transfer from the drive to your computer.

Compact, stylish and portable design. With the compact and stylish design, the JumpDrive® V400 USB sports a convenient key chain loop, making it easy to tether to a key ring, attach to a backpack, or hook to a purse or briefcase.

Securely store your files with 256-bit AES encryption². The JumpDrive® V400 USB comes with Lexar DataShield, software to help protect your essential files with 256-bit AES encryption, against corruption, loss and deletion.

Compatible with PC and Mac® systems. Compatible with both PC and Mac® systems, the JumpDrive® V400 USB 3.0 Flash Drive allows you to easily store a large number of photos, music, and video files.

Rigorously tested. All Lexar products undergo extensive testing in the Lexar Quality Labs, facilities with thousands of different cameras and digital devices to ensure performance, quality, compatibility, and reliability.

For more than 25 years, Lexar has been a trusted leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, solid-state drives and DRAM. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores.
